Thank you for your interest in the Grease Steam and Rust Association. The GSR strives to provide information to the public about old and new machinery used daily in homes, farms, and industrial settings. As a member you will enjoy the benefits of helping relay such information to the public. We hope you will help provide hands on assistance for the annual show the third weekend in October. Other benefits associated with your membership include and are not limited to

- Attending monthly meetings where you can provide insight to any changes needed to improve all aspects associated with the group and its associations **** Monthly meetings are the first Monday of every month unless a holiday****
- Attend banquets and picnics held in appreciation of all efforts given towards the annual show and other events
- The satisfaction knowing you are a part of an organization that educates the public on aspects of our past and present-day way of life

Membership is open to everyone (you don't need a tractor to be a member).

Family memberships (two adults plus children up to age 15) are available for \$12.00 per year. Individual memberships are \$10.00 per year. Memberships are valid for one year from April 1 to March 31 the following year.

Membership dues can be paid at the GSR Headquarters during the October show or you can mail your dues to Grease, Steam, and Rust Association, Inc., P.O. Box 29, McConnellsburg, PA 17233. Please make your check payable to Grease, Steam, and Rust. Contact Don Truax if you have any further questions:
